

# **Social Activism on Screen**

**Friday 13<sup>th</sup> March, 1:30-3:00pm, MR2 (Student Union)**

**Last day of the strike screening event**

Join us for a selection of short screenings on the theme of social activism, curated by Film and Television Studies staff. Michele Aaron, James MacDowell and Michael Pigott will introduce the screenings and there will be opportunity for discussion afterward.

The room is booked from 1:00pm, so you can head over to warm up immediately after the picket line finishes. The screenings will commence at 1:30pm. Feel free to bring lunch.

We look forward to seeing you there!
